OBSON'S PATENT LIGHT and OBSON'S PATENT LIGHT and superiority of this unique Store Grate over every other, is now so fully proved by the continued increasing demand in England that the patenties have appointed HENRY I. IRBOTSON, of New-York, their Agent for the United States (where the said Grate is also patented). By the use of this Grate there is a great saving of fuel, and all the light and heat are so completely thrown into the room as to atford a degree of cheerfulness and warmth which twice the amount of fuel would fail to groduce in any ordinary freplace. Said Stove Grates can be had either perfectly plan or with decorations; and may be seen now in operation at the office of the Agent, No. 218 Pearl-st., between Maideulane and John-st. dil't
